USF CPA REVIEW PROGRAM

USF CPA REVIEW: THE COMPETITIVE EDGE!

Your goal is to pass all parts of the computer-based CPA Exam the first time! To achieve that goal you need **both** a thorough understanding of the topics covered under the current exam format – Regulation, Financial Accounting and Reporting, Auditing and Attestation, and Business Environment and Concepts– and the test-taking savvy that will enable you to perform well in a computerized exam setting. Because the USF CPA Review Program combines excellent instruction with intensive review and important test-taking tips in a way that will fit **your** schedule, our program will give **you** the competitive edge in achieving a critical career goal.

KEY BENEFITS

- Intensive sessions that provide over 97 contact hours of instruction in just 15 weeks of classes. All **live** instruction where students can get clear, concise, answers to questions; rather than just spending hours watching videos or listening to audio tapes.
- Focus is totally on the topics and types of questions, including “simulations” likely to appear on the four part computer-based CPA exam.
- Knowledgeable, well-prepared full-time experienced faculty.
- A convenient schedule of **Saturday only** classes that allows you to meet your professional responsibilities and complete out-of-town travel during the week without missing important review sessions.
- Invaluable tips and techniques, both for studying and for answering CPA exam questions.
- A **quality** program at a **reasonable** price: the USF CPA Review Program provides an efficient, effective alternative to other review courses or self-study. Audio taping of classes is permitted.

MATERIALS

The CPA Review Program registration fee covers all costs, including the new four-volume 2012 CPA Exam Review by Bisk, as well as Bisk’s updated CPA Exam Review software.

The texts and software will be available in the USF School of Accountancy Office (BSN3305) approximately one week before classes start.

TO REGISTER

Registration is fast and easy by visiting the following website: <http://business.usf.edu/faculty/accounting/cpareview.asp>

REGISTRATION FEES

The registration fee for all four CPA review courses is **\$2,100 (before any discounts)**. On an individual basis the following fees apply: Regulation \$625.00, Financial \$725.00, Auditing \$525.00, and Business Environment \$525.00. **Registering for all four courses together results in a substantial \$300 savings over the individual fees (\$2,400.00).**

REFUNDS

A refund of fees, less an administrative charge of \$100 per part will be made if a cancellation for any or all parts of the USF CPA Review Program is received within five days before the beginning of that part. A full refund of fees is made for withdrawals more than five days in advance. There is normally no refund once a course has started.

REPEAT PRIVILEGE

Participants in USF's CPA Review Program should expect to do well on all parts of the CPA Examination if they attend all classes and complete the assigned readings and homework. Generally repeat privileges are available for students who attend 80% of the classes for each part. Repeating students will be required to purchase the latest Bisk materials and software (maximum cost \$350.00).
