IT Summer School at INFOSYS

July
23
-
Aug
12

Dr. Kaushal Chari

PROGRAM OVERVIEW

This program offers an unparalleled opportunity for students to gain cutting-edge information systems courses in one of the world's most vibrant and fascinating cultures. India has experienced meteoric economic growth over the past decade, and it is predicted that by 2050, it will have the third largest economy in the world. India is also considered to be among the leaders in providing information technology services and innovation.

LOCATION

The 3-week intensive IT Summer School will be conducted in Mysore, India at the training and education facilities of one of the world's IT industry giants: INFOSYS. INFOSYS has recently been ranked as the most admired company in India. Infosys is the second largest IT company in India with a global footprint and over 100,000 employees worldwide. Students will stay at the highly-secure Infosys Mysore campus that has excellent academic and recreation facilities. Infosys instructors will be teaching the Software Engineering classes.

COST

Estimated Costs: \$1,950

A limited number of \$1500 scholarships will be awarded to COB Tampa students with a 2.75+ GPA (UG) 3.00+ (Grad) on a first-come first-serve basis.

For more details, please refer to <http://educationabroad.global.usf.edu/> under **India ISM**.
